## DETAILS, DETAILS

Email entries to **Lisa@Hose2Habitat.org**. Entry deadline Midnight (ET) **December 12, 2022.**

Winners will be announced on our Facebook page not later than **December 29, 2022.**

One person/zoo/sanctuary CAN submit as many entries as they want for as many categories as they want.

The enrichment item:

- DOES have to be made completely or mostly from used, inexpensive, and/or easily found materials
- DOES have to have been made by you or your zoo or sanctuary and the picture or video must be of an animal with the enrichment item at your zoo or sanctuary
- does NOT have to be made during the contest period (though it can be)
- does NOT have to be made with fire hose (though it can be)

If you submit photos or videos for the contest, that will constitute permission for Hose2Habitat to use the photos/videos submitted and other entry information, like who you are.

**You do NOT have to submit instructions with your entry**, but if you win, you'll have a week to send us basic instructions detailed enough that we can figure it out in order to claim the prize money. If you don't send us the instructions within a week of us telling you you've won, we'll award the prize to the next entry.

## ALL ENTRIES MUST BE IN ENGLISH AND MUST INCLUDE:

1. At least 1 photo or video of the enrichment item with an animal that can use it. The animal does not have to be using it in the photo or video, but the enrichment item does need to be available for the animal to use.
2. Any safety issues to be aware of, especially for animals using the enrichment item.
3. Contact information, including name and title of the person submitting the entry and name of the zoo or sanctuary with which that person is affiliated.

## JUDGES

Winners will be selected by Tony Slamin and Lisa Daly of Hose2Habitat. We do not claim any expertise in enrichment, but we like to pick winners! We may ask others in the zoological field to some choose winners.

We will certainly ask others in the zoological field for their input...except on Founders' Choice.

Most Photogenic: Winner is selected by Facebook voting.
